*** All birthday parties are 1 ½ hour**

For the first 45 minutes, kids will be in our art room creating projects based on a theme that the birthday child chose. Everyone will do 2 – 3 projects in a combination of painting and crafts and bring their art works home!

For the remaining 45 minutes, kids will move to our party room to enjoy food/refreshments you provide (such as pizza, sandwiches, snacks and of course the cake!) You may also open presents or have a piñata.

For kids ages 5+, you may choose to have 1 hour of project time and ½ hour of food time (which is enough for having just cake and drinks).

*** We provide juice, balloon, paper goods (plates, cups, forks, napkins) for each participating guest.**
